It's not your fault. There has been considerable misinformation circulating -- in today's mail I (and probably you too) received an 8x10 flyer from a Los Angeles group informing me that the Council will vote on such a resolution on Monday and telling me to call my councillors.

Subject: my email

Dear Council Members,
Craig Kelley has just been kind enough to let me know that I was misinformed about a BDS vote purported on Monday. Please don't bother to reply to my email of this morning.
I've just returned to Cambridge after an absence and with many things to catch up on just accepted the information sent to me from a California group without checking the agenda.
Please excuse my error,
Joel Shapiro
